March 9, 2016

To: President Pamela Similes, College of Southern Nevada

Dear President Similes:

I am pleased to inform you that the College of Southern Nevada has been selected to participate in the 2016 National Career Development Conference, held in Las Vegas, NV, from October 13-15, 2016. This conference is a premier event for career development professionals and is an excellent opportunity for our staff to learn from national experts and share their experiences. The conference will focus on the latest trends and best practices in career development, and we are excited to have the opportunity to represent the College of Southern Nevada at this important event.

The conference will feature a variety of sessions, including keynote addresses, workshops, and networking opportunities. We have selected a team of representatives to attend the conference, and we are confident that they will bring back valuable insights and information that will benefit our students and staff. We are also excited to have the opportunity to meet with other representatives from the College of Southern Nevada and to share our experiences with them.

Very truly yours,  
[Signature]
