DUFFY REED PROPERTY:

Mr. Coleman reported that the title to the Duffy Reed property is ~~clear: that Mr. Reed wants to retain possession of the premises until~~
~~check was signed to make payment to Mr. Reed.~~

It was noted that the deadline date of August 7, 1967, set by CSI is ~~being questioned. Attorney Alexander stated that CSI has a legal right to~~
~~set this date even though subjected to criticism; he said this is an adminis-~~
~~trative date must be set to provide ample time for certifying~~
~~the levy.~~

Upon Motion by Mr. Garrabrandt, seconded by Mr. Shields, the trustees voted to waive the previously set deadline date of August 7 for the 1967 fall semester, and approve the transfers for the following students to Boise College:

MENTAL HEALTH CENTER:

Discussion relative to a Mental Health Center brought out some variance of opinion whether one should be on campus or as part of the related program of the college.

Chairman Evans mentioned that he has been asked to attend a meeting on this subject, and will probably be asked about the position of the College on the matter.

Upon MOTION by Mr. Garrabrandt, seconded by Mr. Shields, the Board of Trustees indicated that it would not want to assume any particular position regarding a Mental Health Center related to CSI, until after it has had opportunity to review additional information about all aspects of it.

MINUTES OF PREVIOUS MEETINGS:

Because of a variety of circumstances, the Minutes for a number of previous meetings of the Board of Trustees have not been read and formally approved. Dr. Taylor suggested a remedy would be to have all of such minutes brought into proper form, duplicated, and copies mailed out to each Trustee for study and then approval at a subsequent regular meeting of the Trustees; also, that as soon as possible after each subsequent meeting, the minutes would be duplicated and sent out to each Trustee. The Board, without objection, concurred in Dr. Taylor's suggestion.

DR. HARRY BRUMBACH - CIVIC AUDITORIUM CHAIRMAN:

Buidling for CSI. He is optimistic about the ultimate results, but believes that an extension of time in which to turn over the balance of the previously committed amount to CSI, would be highly advantageous toward collecting a higher percentage of the total outstanding pledges.

TRANSFER OF STUDENT ASSOCIATIONS FUNDS, AND BOOK STORE ACCOUNT, TO SEPARATE THEM FROM THE GENERAL FUNDS OF THE COLLEGE DISTRICT:

Dr. Taylor described the type of monies which flow through these two accounts, their respective status in relation to the other funds of the College District, justification for their being separate accounts in the bank to expedite handling transactions within them, and recommend that they be set up in separate accounts in the bank separate and apart from the General Fund.

A MOTION was made by Mr. Garrabrandt, seconded by Mr. Shields, that the Student Associations Funds and the Book Store Account, both be transferred out of the General M & O Fund and set up as separate accounts

Mr. Blastock informed the Board that he had visited with Mr. Lyons relative to his property on Falls Avenue; that Mr. Lyons wants to trade for another residence property rather than to sell to CSI and then try to buy another; efforts are being made now to find another place which will be acceptable to him. Dr. Taylor said that not having the Lyons property in the possession of the College now, is presenting a problem for the contractor.
