previously supplied the lowest bid.

However, the lowest bid this year was quoted by Gilliland's and therefore, I recommend that the College award the contract to Gilliland's. A sample copy of a college catalog is attached with this memo.

Should the College decide to award the contract to Gilliland's, I would like to make a further recommendation. I will be in the area of Arkansas City during the week of March 15, 1976. At no cost to the College, I could probably visit Gilliland's operation and conduct a more complete evaluation of their quality of work. I would prefer to do this prior to the awarding of the contract.
