The College administration has spent considerable time explor-

We are currently leasing our equipment from AT&T for \$2,306.14 per month. It is recommended to the Board of Trustees that the equipment be purchased. It can be purchased at \$1,457.53 per month over a two year period. It is also recommended that we pay a service contract of \$519.50 a month. This would represent savings of \$329.11 per month and at the end of a two year period the equipment would belong to the College.
