PRESIDENTIAL REPORT

1. An agreement with Blaine County Community Education has been
entered into by the College of Southern Idaho. A copy of the
agreement and enrollment report was passed out to the board

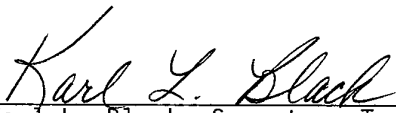

have already begun.

2. If the weather holds, we will be doing some work on college
streets. Brian Chase, with the State Division of Public Works,
has approved about \$70,000 in street repairs. Last years was
the first time community colleges were allowed to participate
in this type of maintenance funds.

PRESIDENT'S REPORT CONTINUED:

3. ~~The 20th anniversary celebration~~
Thanks were extended especially to Dr. Joan Edwards and Annette Jenkins for their work in planning and organizing.
4. We are in the process of remodeling the house near the Expo Center for a child care facility. Bob McManaman has been asked to look at the facility with the idea of expansion for next year.
5. We have been asked to respond to a possible holdback on the basis of 2.5 percent and 5 percent. If we have to go to the 5 percent, it will have a serious impact on the college. It would mean the possibility of discontinuing summer school or a change in salary level.
6. Construction on the Taylor Administration Building addition is about 2½ months behind. We are look at some time in March now as a possible date to utilize the facility. The electrical bid is to be opened on October 30.
7. ~~A national accreditation team will be visiting the Herrett~~
to receive national accreditation in the state of Idaho.
8. We have been in contact with the city on extension of the North Campus road to Blue Lakes Boulevard. The possibility of extending the road looks fairly positive at this time.
9. We received a report from Terry Uhling on the progress of the litigation of the geothermal water resource. The written report was passed out to the board.

ADJOURNMENT: was declared at 6:05 p.m.
