mi - hara attach ammunistion actually decreased by \$22 400, from

\$500,000 property tax relief we received from the registature rast

4. COUNTY PROPERTY TAXES

Property taxes are estimated to decrease by approximately 6.9% or \$272,800 when compared to last year's budget. Under the current legislation, we are allowed a 3% increase over the actual Fy 97 amount assessed plus the previous year's levy rate on new construction. In Twin Falls and Jerome Counties \$69,304,942 of new construction was

costs. Some rank and position adjustments were also made.

2. FRINGE BENEFITS

Producted health incurance increased this year by approximately

3. PERSONNEL COSTS

- a. The Administration personnel costs reflect the moving of one account tech and a clerical position to the bookstore. The increase in operating expenditures of \$5,000 is to pay for recruiting up to 15 faculty and staff who are retiring next year. The increase of \$7,000 in capital outlay is to pay for multimedia equipment in the new conference rooms.
- b. The Student Services budget reflects the addition of the unfilled position in advising. Services were increased by \$9,000 to pay for class schedule printing and program printing.
- d. The Museum has been moved to Fund 79 to operate. The General fund will transfer \$368,800 to Fund 79 in Fy 98 to cover operational costs. The increase in personnel costs is to more accurately reflect

While we are increasing prices for next year, we are caucious in raising revenue estimates. The Hale-Bopp comet had a significant impact on this years revenues and we may not be as fortunate next year.

e. The Continuing Education budget revenue reflects the increase

f. The Computer Center budget shows the addition of one rull time and one part time technician that were previously charged to the Technology Department.

Hill III

h. The Technology Department personnel costs reflect the moving of a full time and part time technician to the Computer Center and the moving of a telecommunications specialist from grant funding to the General Fund. Services were increased by \$46,000 which includes \$5,500 for voice mail maintenance, \$5,000 for maintenance on the donated codecs, \$5,500 for the radio station emergency broadcast signal. \$5,500 for radio station operating expenditures and \$25,000 to

project.

increases in salary.

j. Institutional Support reflects the following changes:

1. Telephone - Telephone costs are expected to rise due to more phone lines being needed as we add grade reporting and financial

TIMES CHAC MAY BE HOCKER WITH FOTOS WELT.

2. Utilities are expected to increase with the Idaho Power rate increase, increases in the city water rates and a full year of operations for the gym addition.

3. The Plant Facilities Fund Transfer was reduced due to

the funding requirements of other departments.

4. With the adding of the Director of the Technology Center to the Planning and Development department, we were able to reduce funding in this area.

5. Interpreter costs continue to rise as we provide quality

services for handicapped students.

6. The Child Care Center increase of \$2,500 is required to replace aging supplies and equipment. We did not increase prices this year.

nursing department. The supply budget was increased by \$15,000 to pay for the last installment of televised telecommunication courses.

Capital outlaw was increased by \$14,000 to replace aging equipment.

1. The Vocational Instruction personnel cost increases reflect additions and reallocations due to the addition of the dental, surgical and vet tech programs.
