BOARD OF TRUSTEES MEETING

<u>CALL TO ORDER:</u> 5:30 p.m. <u>PRESIDING:</u> LeRoy Craig

ATTENDING: Trustees LeRov Craig. Dr. Charles Lehrman. Dr. Thad

Dr. Jerry Beck, Vice President of Instruction

Dr. Joan Edwards, Vice President of Planning and Development

7 7 \*\*

Dr. Michael Glenn, Vocational Dean

Dr. John Martin, Registrar

Dr. Ken Campbell, Dean of Technology

Graydon Stanley, Director of Student Information

Randy Dill, Physical Plant Director

Jeff Duggan, Assistant to the President

Karen Baumert, Public Information Director

CSI Staff: Jim Mair, Mary Mair, Barbra Knudson, Kathy Trotter, Karen Atwood, Jim Knight, Chris Mottern, Jeff Fox and Chris Bragg

Visitors: Annna Jonesi and Jared Cox

Faculty Representatives: Kathy Pullman

Times News: Jennifer Sandmann

Affirmative vote was unanimous.

TREASURER'S REPORT: Acceptance of the Treasurer's report was approved on MOTION by Dr. Thad Scholes. Affirmative vote was unanimous.

BIDS:

addition building project on MOTION by Dr. Thad Scholes. Affirmative

<u>CSI Trustees</u> <u>October 19, 1998</u> <u>Page 2</u>

2. (continued) Funding for the building project is from an economic

3. The Board approved the selection of Starr Corporation as the construction manager for the Aspen addition for a total price of \$84.500

4. The Board approved the selection of ZGA Architects as architects for the Fine Arts addition on MOTION by Dr. Charles Lehrman. Affirmative vote was unanimous.

Dr. Lehrman's MOTION was conditional upon the architects providing fifteen to twenty additional restroom stalls in the facility. ZGA was directed by the Board to be "restroom friendly" in their design of

5. The Board accepted the bid for the skidcar system from Skidcar System Inc. of West Lynn. Oregon in the amount of \$35.700 on MOTION by

Funding for this purchase is from budgeted vocational departmental funds.

#### PRESIDENT'S REPORT:

1. The College is in the process of limiting van travel by students due to safety concerns. In implementing this policy, clubs and organizations have stated that commercial transportation is too expensive and that, if they can no longer use vans, their travel will be severely limited.

The President advised the Board that there were approximately thirty-eight clubs on campus that utilized vans at one time or another during the year. Bussing and commercial transportation are very expensive and will severely limit travel by our students.

Five club advisors spoke concerning trips taken by their

sixteen passengers.

After discussion by the Board, the President recommended that the following:

- 1. A commercial driver's license be required for all van drivers.
- 2. Driving time for drivers be limited to six hours per day.
- 3. No travel be permitted past midnight.
- 4. Van use be allowed within two hundred and fifty miles of campus.

The President asked Graydon Stanley to work with the club advisors and put together a policy for student travel in vans.

CSI Trustees
October 19, 1998
Page 3

- 2. Graydon Stanley introduced Associate Student Body President Jared Cox and Associated Student Body Vice President Anna Jonesi. They reviewed the student government goals for the year.
- 3. Barbara Knudson was introduced to the Board as the new Human Resources Director.
- 4. One hundred percent of Penny Glenn's students passed the national practical nursing exam at the ninetieth percentile. She had the top program out of two hundred and twenty eight programs with students testing.
- 5. The President advised the Board that our top priority with the permanent building fund council would be planning money for the Fine Arts addition.
- 6. Jim and Mary Mair made a computerized presentation complete with music on the jazz band's trip to the Montreax, Switzerland Jazz Festival. Jim Mair thanked the foundation, the Board and the President for their financial support.

ADJOURNMENT was declared at 6:38 p.m.

John M. Mason, Secretary-Treasurer

APPROVED November 16. 1998

Chairman

October 14, 1998

To: President Meyerhoeffer and the College of Southern

Idaho Board of Trustees

From: Mike Mason

Re: Computer Bid

We received ten bids for the specified computers. The bid details are attached on the following two pages. It has become a very complex issue analyzing components, configurations and prices.

Based upon a review of the bids by Dr. Ken Campbell and Gary Baum, I recommend we accept the low bid of Sawtooth Technology, Inc. of Boise, Idaho in the amount of \$92,308.00 for eighty six computers in numerous configurations.

This purchase will put new computers in 10 different areas on campus. Twenty of the computers are going to

new lab, tourteen are for the Cisco networking lab, fifteen are for the academic devlopment center, two are for child care and three are going to the student senate. The remaining computers are replacing machines in various academic and vocational departments.

Funding for this purchase is from various departmental budgets.

Re: Aspen Addition Architect Selection

We received four proposals for architectural services for the Aspen addition. The proposals were from CTA, Ehrlich Rominger, Russ Lively and Armstrong Architects.

The proposals were evaluated by President Meyerhoeffer, Randy Dill and me. Based upon the evaluation sheets filled out by each evaluator, I recommend that CTA be selected as the architect for the Aspen building agaition.

Upon approval of the selection by the Board, we will negotiate a contract with CTA.

Re: Skidcar Vehicle Simulation System

We received one bid for the specified system. The bid was for \$35,700 from Skidcar System, Inc of West Lynn, Oregon.

rams with multi-directional wheels and tires at each end. The rams are actuated by a hand held computer operated by the instructor inside the car. With the computer, the instructor can relieve traction from the car wheels that

Based upon the recommendation of Dave White, I recommend we accept the bid of Skidcar System, Inc. in the amount of \$35,700.

Funding for this purchase is from budgeted vocational funds.
