Re: Room Charges

Randy Dill obtained some comparable room charges from logal wonders. The correlation is not direct since local vendors give discounts on room rentals if a large number of meals are purchased. Since we make very little on the meals, I do not think it should effect the room rental fee.

After reviewing charges with President Meyerhoeffer, Randy and I are recommending the following foc schedule:

Room Description	Current Charge	Recommended Charge
Classroom 800 sf	\$35 \$35	\$50 Minimum \$80 Over 4 Hours
	ခဲ့သည်	500 Over 4 Hours
Classroom Large	\$60	\$100 Minimum
	\$60	\$150 Over 4 Hours
Telecommunication Rooms	\$35	\$100 Minimum
Terecommunited eron nooms	\$35	\$150 Over 4 Hours
Taylor Combined		
Large Rooms	\$70	\$100 Minimum
J	\$70	\$200 Over 4 Hours
Taylor Single		
Taylor bringre	ጵጎ₽™	<u> </u>
		<u> </u>
Taylor Small		
Conference Rooms	\$35	\$75 Minimum

\$35

\$125 Over 4 Hours

Room Description	Current Charge	Recommended Charge
Desert 113	\$35 \$35	\$100 Minimum \$150 Over 4 Hours
Evergreen Atrium	\$35 \$35	\$200 Minimum \$200 per Day
Dorm Activity Center	\$50 \$50	\$200 Minimum \$200 per Day
Rose Garden or Grounds Wedding	N/C	\$50 Minimum

These rates are inclusive of custodial fees. We felt that to separate custodial fees would give users the option of asking for the rental fee to be waived.

We_also feel that the above rates are for the rooms as

Outdoor or Special Setups - \$50 minimum plus \$1.00 per chair, \$5.00 per table and \$50 for a public address system. If we have to do set-ups on a holiday or weekend, the minimum price is increased by 50% to \$75.

A second issue arises when considering what organizations should be charged. Nearly all organizations attempt to affiliate themselves with the college to avoid paying the room rental charge and the 10% charge on food.

I recommend that all organizations that are run from the General Fund be exempt from the room charge and food <u>service</u> fee. This exemption should extend only to those

the Foundation, student groups and CSI advisory boards. The exemption from charges would extend to non-profit charters but not all non-profit organizations.

The Gym, Fine Arts and Expo rental fees also need to be reviewed. In the past we have had a committee to

The suggested pricing structure would allow us to recover the costs associated with scheduling, equipping, maintaining and cleaning the rooms. It will also bring us more into line with what local vendors are charging.

a three-year contract to provide food service on campus. The bids were reviewed by the Dormitory Housing Commission at their May 19, 1999 meeting.

an analysis of the bids. Fine Host Corporation offered the most favorable financial package.

With this contract we are moving away from a meals per week plan and to a block meal plan. We are hopeful that this will provide students more flexibility and increase

Based upon a review of the bids by Graydon Stanley and the Dormitory Housing Commission, I recommend that we accept the bid Fine Host Corporation for campus food services.

This contract is funded from charges to dormitory students for meals.
