# SOUTH CENTRAL HEAD START

## 2003-2004 Mid-Year Report - Program Wide School Readiness Outcome Measures

### Introduction

South Central Head Start Program is committed to providing high quality early childhood education and care for all children. The program is dedicated to ensuring that all children are school ready by the time they enter kindergarten. This report provides an overview of the program's efforts to improve school readiness outcomes for all children.

### National Head Start Reporting System

#### *National Head Start Reporting System*

This assessment tool is used to measure the program's performance in meeting the requirements of the National Head Start Reporting System. The tool is designed to assess the program's compliance with the reporting requirements and to identify areas for improvement.

### Child Observation Record

The COR assessment tool is based on observations and anecdotal information compiled

### Assessment Timeline

Three SCHS management team members were trained by ACE contractors to provide

The individual COE anecdotal and observation summaries from the beginning of the year
