- Minutes from August 2009 postponed due to Technical Difficulties

Old Business

- Office Hours (Class Schedule)- Please turn your office hours and class schedules in to Secretary Haggan by the end of the day.
- Welcome- There are mixed feelings about welcome week. You guys know what you put into this event and how hard you worked. You guys did great helping with the free admission event however, there were other events where participation was lacking. This was a great learning experience and we just learned how to be better prepared next time. Special thanks to Senator Felix for all of her hard work.

Senators Opinions:

- Everyone did a great job, however when it came to clean-up, we were left with the same few senators to do the grunt work. Excuse me at the dance when everyone "itched in."
 - T-shirts were a 45 EAT idea, it helped the students remember there were fun activities going on and gave them a point of reference as to who they could talk to in order to get information about the event.
 - Thank you to everyone who participated and helped out. Those of you who didn't, we expect to see more of you in the future. We are a team and we need everyone's help.
 - Special Thanks to the clubs that helped: Chai Al'ha, University Council, and Ambassadors.
 - Special Thanks to the people who helped: Sayid, Madaline, Jill, and Troy.
- Senate Office, please, you have not "icked u" your key fobs yet. be sure to do that. Having a key is important so you can lock the doors when you leave and also have access to the office when the Student Activities office is closed.

- Senate Responsibilities- Please take time to read over your Senate Responsibilities sheet in your binders, it's a great reminder to our expectations for you as Senators
- Senate Retreat- September 8-9 is our retreat. There is a meeting with all of the club advisors here. This Wednesday at 9:00 we will be going over the planning for the meetings and how to allot break-out time. Leadership is vested in you. We will leave Friday 8/8th at noon with between 8-10 students. We'll be back on returning around Monday 8/11th.
- **0e1** Senator Recommendation: Season for Season without a new inter-view process is due to the fact that we lost our Campus Recreation Senator due

- **Advisor's Report**

Special thanks to Resident Magan and Senator Felix for all their hard work this semester*

Like Resident Larson, thank you for the new format, it is easier to follow

Senators* Thank you for all of your help during + O + week*

The "purpose" of the keys is so that you have access to the office at all times and also to lock it back up. We don't want anything stolen from the office. So make sure to lock the door every time you are the last one walking out

Also, apologize for the scholarship's not being accessible last week. They are all now ready. Checks with the money from Financial Aid and Scholarship's will be available this Thursday*

The best way to advertise for Reshan Elections is by word of mouth. Make sure you are announcing in your classes. So we have a lot of students running for Reshan Senate

On average only 100 students vote out of 800. Let's increase that number and start encouraging students to vote next week*

Congratulations on a job well done with your Committee Reports. They were excellent. Senator Linda says you are doing a great job with Eagle Hall*

Also, looking forward to the Burley BBQ

Question: A student requested that the Taylor Building extend its hours later than Friday. Last year it was open until midnight. Answer: It is closed later due to these issues. However, when the doors open, we can extend the Taylor Building's hours until 11 PM since the doors close at 11 PM.

Senator 2 (a) is considering having University Council have an outdoor dance in the next few weeks. Senators agree that it would be fun.

Make sure to bring in can
