- \$\$\$ Campus- There is no new information due to a lack of communication. So far, everything in Hailey and Burley is going well. We will get a more detailed update next week.
-

- Safe Driving Awareness- So everything that Secretary Haggan and I have been talking about is dedicating a day to driving awareness about being tired and driving, texting and driving, weather conditions, wearing your seat belt, and updating people on (acts about driving) (feel like it's relevant and important), we want to focus on texting while driving and seat belts, we could work with Brett Reid, and several other people to get that going. The committee working on that would be Senator Eli and Secretary Haggan.

Executive Reports

- Finance Residents Report- Good guys are doing great. Change (or Children Chant)
- Residents Report- Thank you Kyle and Orielle (or your hard work during the Easter Egg Hunt). Sayid decided to volunteer senators to put up a booth. I would like to thank Sayid, Marina, Mia, and Veronika (or helping out). Thank you Devin (or helping out a lot). Thank you Senator Lects (or coming). On a more serious note, the last time I saw Leano, he was playing church music on the piano. Leano was a big part of the Senate. I just wanted to read his resignation letter. This summer, he resigned to get his grades right. (If you would like to read the letter, come see President Haggan). Let's definitely respect Leano and support his family and attend the funeral.
- Advisors Report- The Idaho Statesman would like to do a story on this, we have a tendency to put things off, like calling our parents and saying how much we love them, and our friends. Let's not put it off, and call them and tell everyone we love them. Our society has shunned people when they have hard times. Let's not turn people out, but turn them up. Pull them in closer and take them in when more aren't. Even though people can't be a part of this meeting, they can be a part of our lives still.
- The Easter Egg Hunt is something huge, we always have a lot of people show up. It turned out great. Thank you everyone (or putting that together).
- Sorry apologies (or not getting the scholarships out yet). I'll get those done before get home.
- The Spring Safety thing is huge. Appreciate Secretary Haggan and Senator Eli (or volunteering to help with that).
- When S.I.L. comes in, as a way to help with their expenses, we try to host them. The Ballroom cancellations are mainly L&S, so they normally host a lot of money of you who have space where you live and would like to host them, that would be great.
- Sarah Slaton will be leaving us in a month. She liked the thank you that you sent her. Okay we can coordinate a reception to send her off.
- Canyon Ridge High school has 211 people to do Community Service on the 24th between 42-41p and 4p.
- Weekly, Nahi and I take ideas about what's going on, on campus (you would like to be on that with us, let us know). Good have such a great representative doing that (you are still not answering the CS "face" book page, you need to get on and "echo" it. I am, I'm trying to take that a regular avenue so that students know what's going on at CS.
- Before we need to have that moment of silence, let's celebrate Lacey's birthday.
- Adourned: at 8:01pm by Vice President Lawson
