so much time working on their committees over the summer  
hope their passion inspires the rest of you to work hard on your  
committees this year. Don't forget about pictures during our July  
meeting. I will make sure to email you our dress code for those  
Hats and "be" working hard. This is going to be a great  
year.

- ( ) / \* Thank you for all of your effort in coming and  
 doing this. Certainly, if you had other plans you could do that  
 because summer meetings are optional. On behalf of the  
 students, thank you for being here. Thank you for all of your hard  
 work on the budget. I was pleased at the passion. Thank you for  
 your work and sticking together through it all.  
 I want to recognize Beaut with her work on the University Council.  
 I'm enthused about having Beaut in that role. She's such a good  
 organizer. She is just so ambitious, she will take the Constitution  
 and get an electronic copy. Sheree or Beaut will forward that to  
 your email.  
 Thank you for being someone who has done the phone calling for  
 the Foundation. Thank you for being someone who continues with that process  
 through Thursday next week.  
 Thank you for your 310,000 endorsement to the Foundation. It is  
 really newsworthy. It's students giving back to the students. I  
 suspect we'll get some pretty big press coverage on that.  
 Thank you for enlisting and taking pictures and being in charge of  
 finding student models and getting it all set up.  
 Thanks to Sheree.
