- " d(isor !choles) I want ou all to know this issue comes u* e(er ear/ but kee* in mind that this subœct doesn't directl affect the student bod so lets be efficient and get this done this meeting and not use u* so much time on something that's not rele(ant to those we ser(e

- President ;indle)

314 Currentl -#0 re>uired to run and 2#7? to sta eligible

324 Pro*ose that it slides down b #2? 2 meaning 2#7? to run and 2#? to sta eligible

3a4 " Iso considering ha(ing a flat re>uirement of 2#? to run and sta eligible

3-4 7ro**ing the re>uirements hel*s re*resent more students because C !Bs a(erage =P" is roughl 2#,

- !enator 7 onahue)

314 !enate is an elite grou*

324 I realize we lose senators e(er ear/ but we still would if we lower the standards

3-4 \$his doesn't deal with ser(ing students/ lets focus on that instead of changing our re>uirements e(er ear

- " d(isor !choles)

314 5n one side) we should raise the bar because this grou* should be com*rised of the best and brightest

324 5n the other side) we need to be as good of a re*resentation of those we stand for as we can be

3-4 5ur senate is twice as big as the senates from <orth Idaho College and College of . estern Idaho/ which does bring troubles to ha(ing enough senators

344 It has come to m attention that when the scholarshi* was changed/ it might not ha(e been student bod a**ro(ed which is how it was su**osed to be done#
