BIRD FRIENDLY® COFFEE CLUB

SCARLET TANAGER

French Roast, A bold, intense, smooth coffee from co-op farms. Grown by farm families dedicated to providing us with great coffee and their children with a better eco-system. Fair-Trade, USDA Organic, Smithsonian Bird Friendly certifications. (Depending on harvest cycle from Northern Nicaraguan Highlands or Northeastern Peru in the Andes - Amazon River basin slopes).

CHESTNUT-SIDED WARBLER

Medium Roast is grown on organic co-op farms in the Northern Nicaraguan highlands. Fair-Trade, USDA Organic and Smithsonian Bird Friendly certifications.

AMERICAN REDSTART

Light Roast, smooth and flavorful. Fair-Trade, USDA Organic and Smithsonian Bird Friendly certifications. The Official Coffee of International Migratory Bird Day. (Guatemala).

WOOD THRUSH

Breakfast Roast, A delicate, complex full flavor coffee from farmers dedicated to sustainable farming. Coffee grown 100% ecologically, as it was over 100 years ago, protecting nature, with no chemicals, using natural fertilizers and spring water and under rustic shade canopy. Direct Trade, Smithsonian Migratory Bird Center Bird Friendly, USDA Organic certifications.
